

### VIEILLE ROSE DE HEREND (VRH)

THE RISE OF BOURGEOIS SOCIETY BROUGHT NEW ART TRENDS TO LIFE FROM THE LATE 18TH CENTURY. BAROQUE AND ROCOCO STYLES WERE REPLACED BY SIMPLIFIED FORMS AND SUBTLE DECORATIONS. VIENNESE-ROSE-LIKE PATTERNS WERE AMONG THE POPULAR MOTIFS OF THE EUROPEAN PORCELAIN MANUFACTORIES SINCE THE BIEDERMEIER PERIOD. THIS COLLECTION OF THE HEREND PORCELAIN MUSEUM INCLUDED SEVERAL OBJECTS PAINTED IN VIENNESE-ROSE-LIKE DECORATION ALREADY IN THE 1840S. THE SLEEKLY DESIGNED DÉCOR KEPT ITS POPULARITY TO THE PRESENT DAY. THE HEREND PORCELAIN MANUFACTORY IS CONSTANTLY RENEWING HER DESIGNS, BASED ON INNOVATION COMING FROM TRADITIONS, WHICH RESULTED IN THIS NEWEST COLOR VARIATION OF THE VIENNESE ROSE, A TRENDY, UP-TO-DATE PATTERN. IT IS A PRECIOUS DECORATION FOR ANY YOUTHFUL, MODERN HOME WHILE PRESERVING THE CLASSIC ROSE FORM AND COMPOSITION MADE BY CAREFUL EXPERT HANDS.
